

**KPBSD Package Proposal to KPESA  
to settle the FY19, FY20, FY21 bargaining**

The current agreement continues for FY 19-21 except for all previous TAs that modify existing language, and except for modifications to existing language as follows, with applicability to those employed on the date of ratification.

- A change in duration to July 1, 2019-June 30, 2021.
  
- Salary schedule increases in the amounts of .5 percent in FY19, 1 percent in FY20, and 2 percent in FY21. See exhibit A.5. These percent increases are in addition to automatic annual step increases for eligible employees averaging 4.98% on the FY18 salary schedule. For illustrative purposes see exhibit A.2.
  
- KPESA employees not receiving a step increase will receive an additional .5 percent in FY19, 1 percent in FY20, and 2 percent in FY21, off base salary in that year's Column H.
  
- A new shift differential for KPESA, for Article 17, Section A in the amounts of 40 cents per hour for swing shift and 60 cents per hour for graveyard shift. This shift differential is retroactive to July 1, 2018 for those eligible employees employed as of the date of ratification.
  
- Addition of Article 37 Extracurricular Programs.
  
- KPBSD offers to increase the District's portion of the current High Deductible Health Care Plan Cap from \$1,645.61/month to \$1,945.61/month. This is an increase of \$3,600.00 per employee plan member per year. KPBSD offers the two separate HDHCP designs proposed by the Associations on September 5, 2019. See attached health care plan document A.3.
  
- In addition, for FY20, the District will replenish the Employee Health Care Reserve Account for all employees to \$750,000.00. This is a District contribution of \$668,748.17, equaling \$618.07 per employee plan member for the year. This means that employees will not have to pay the reserve repayment of \$68.67 per month (over 9 months).
  
- For FY20 the District will pay an additional \$250,000.00 to the Employee Health Care Reserve Account to assist with any transition cost deficits.
  
- The District will issue a Request for Proposal (RFP) for health care insurance to private and public insurance providers for change effective January 1, 2021. The need for future RFPs will be considered annually.
